

Title:

Car Donation Mission Team

Members:

Baxter Richardson (chair), Jon Blanchard, Paul Eggerling-Boeck

Mission:

Our mission is to provide low income neighbors with reliable cars for work, education, and meeting other family obligations. We do this by repairing cars donated by church members, with the repair costs being born by a self-sustaining church fund and contributions from church members.

2024:

In 2024, because of a changing used car market, no cars were donated. We did, however, receive a \$1,000.00 donation and a pledge to donate a car in 2025.

Celebrate:

Since this unique program began in 2015, we have provided 14 cars to neighbors in need. Our partners in repairing cars and selecting suitable recipients include Turn Two Auto Repair, Joining Forces for Families, Bethany United Methodist Church, Christ the Solid Rock Baptist Church, and other community groups.

2025:

Seek out those neighbors needing reliable transportation and meet that need as best we can. We therefore encourage church members to donate a car or make a cash donation to the program as effective ways to improve the lives of others.
